This sign was taken from the Herald Democrat newspaper

in Sherman, Texas. Cats that once lived with one family now

need to live with another family. These cats were free to

anyone who wanted them.

Sometimes

cats

that

are

sick are

brought

in to

the

shelter.

       The
    cats live in cages.

&

All of these kittens are brothers and sisters. They all need

a home.

 Carson  went to the  Animal  Shelter.  He  chose a  kitten to  play with.  At first  he  was shy.

Then Carson

touched

the kitten

&

and played

with him.

 Carson  has  chosen  this  kitten.  He  is  going  to  adopt  this

 kitten  &  have  a  new  pet.  What  do  you  think  Carson  should

 name  his  new  pet?
