

 Check  It  Out!

 There  are  many,  many  things  that

 you  can  find  in  a library.  The librarians

 are there  to help  you  and  all the

 other  people  who  come to use the  library.

 Here  are  some of the  things  that  a person

 can  do  in  a library.

1) Use the internet.

2) Find a book on something they

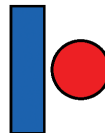

want

to

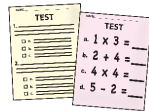

learn

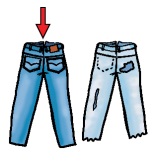

about.

3) Find a book by a favorite author.

4) Study for tests.

can

5) Learn a new language.

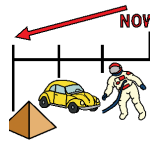

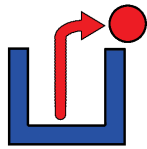

6) Attend meetings.

7) Bring a child to the Children's Storytime.

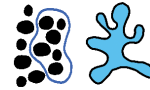

8) Listen to books on tape.

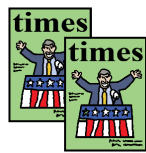

9) Find out about the history of a city.

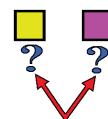

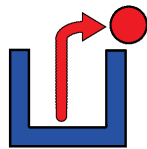

10) Search for a job.

11) Learn how to make something.

12) Read magazines.

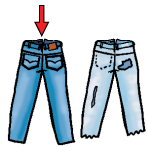

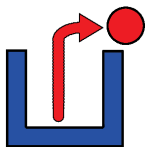

13) Check out a movie or DVD.

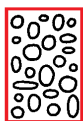

14) Belong to a Book Club.

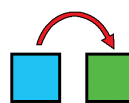

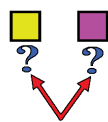

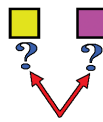

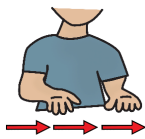

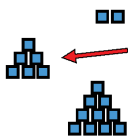

15) Check out the newest books.

That's a lot of ways to use your library. There

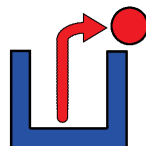

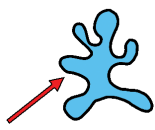

are more. Do you or your teacher

or your parents know of other ways to

use the library?
