

Drinking Fountain Social Story

At school, I need to use

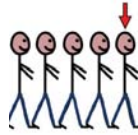

the drinking fountain when I am

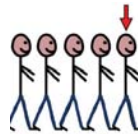

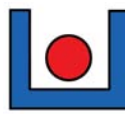

thirsty. Sometimes, I am the only

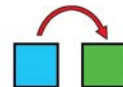

person who is thirsty and I don't

need to wait my turn. Sometimes, I

will need to wait in line. I will

try and be patient when other kids are

drinking.

I

will stand still.

I

will keep

my

hands

to myself.

I

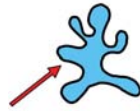

will

be quiet.

When

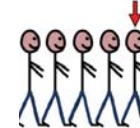

it

is

my

turn,

I

will push

the

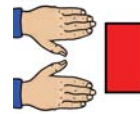

button

to

get

the

water

to come

out of

the

fountain.

I

will

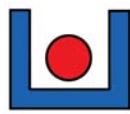

sip

the

water

into

my

mouth.

I

will

keep

my

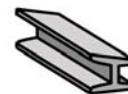

mouth

off

of

the metal.

My

mouth

will

only

touch

the

water.

I

will

drink

until

I

am

not

thirsty

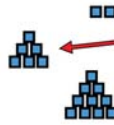

any

more.

I

will

move

away

from

the

drinking

fountain

when

I

am finished.

I

will

have

good

manners.
