Harmony and Peace

(to the tune of "B-I-N-G-O")

written by Julie Vickery.

Dr. King taught us to live

&

In harmony and peace --

P - E - A - C - E,

P - E - A - C - E,

P - E - A - C - E.

&

In harmony and peace.

He taught us not to fight or quarrel,

1

But love one another.

L - O - V - E, Love!

L - O - V - E, Love!

L - O - V - E, Love!

He said to love each other.

Let Us Keep His Dream Alive

(to the tune of "This Old Man")

 This  young man  had a dream;

 In  his  eye  he  had a gleam.

 We  must love  each other to survive.

 Let us  keep  his  dream alive.

 He  believed  man was good;

 He  had dreams of brotherhood.

 We  must love  each other to survive.

 Let us  keep  his  dream alive.

    
All join hands, let us sing;

  
Let the bells of freedom ring.

     
We must love each other to survive.

   
Let us keep his dream alive.

   
We can learn from the past;

   
Then we'll all be "free at last!"

     
We must love each other to survive.

   
Let us keep his dream alive.
