

Happy Birthday, Dr. King

(to the tune of "Yankee Doodle")

Dr. King was a man

Who had a special dream.

He dreamed of a world filled with love

And peace and harmony.

Happy Birthday, Dr. King,

Happy Birthday to you.

Happy Birthday, Dr. King.

We honor you today.

Harmony and Peace

(to the tune of "B-I-N-G-O")

Dr. King taught us to live

&

In harmony and peace --

P - E - A - C - E,

P - E - A - C - E,

P - E - A - C - E.

&

In harmony and peace.

He taught us not to fight or quarrel,

1

But love one another.

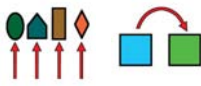

L - O - V - E, Love!

L - O - V - E, Love!

L - O - V - E, Love!

He said to love each other.

 Let Us Keep His Dream Alive
 

 (to the tune of "This Old Man")

 This young man had a dream;

 In his eye he had a gleam.

 We must love each other to survive. j

 Let us keep his dream alive.

 He believed man was good;

 He had dreams of brotherhood. j

 We must love each other to survive. j

 Let us keep his dream alive.

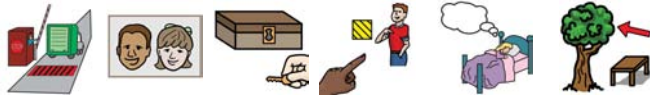

All join hands, let us sing;

Let the bells of freedom ring.

We must love each other to survive. j

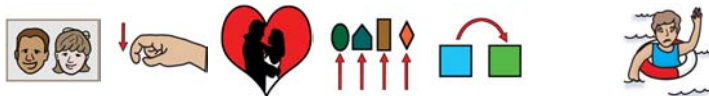

Let us keep his dream alive.

We can learn from the past;

Then we'll all be "free at last!"

We must love each other to survive. j

Let us keep his dream alive.
