

The American Flag

The American flag is a symbol for

freedom and equality. It is a special

piece of American history. You can

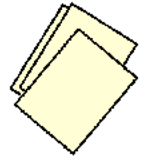

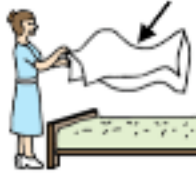

make your own America flag. Here's

what you need:

Materials:

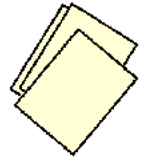

1

1

sheet of white construction paper

1

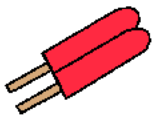

1

sheet of blue construction paper

red paint

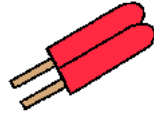

popsicle sticks

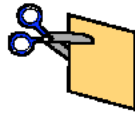

cotton balls

1

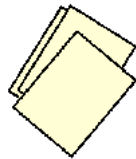

1. Paint the popsicle sticks red.

2

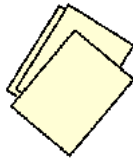

2. Cut a square out of the blue

$\frac{1}{4}$

construction paper, about $\frac{1}{4}$ the size

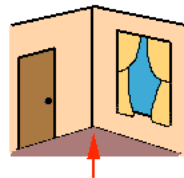

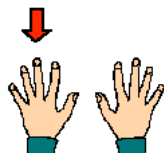

of the paper.

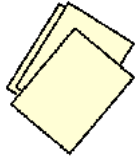

3

3. Glue the blue square on

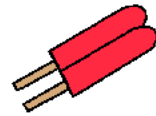

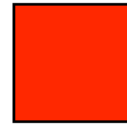

the top, left corner of the white

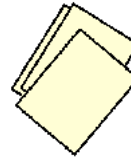

paper.

4

4.

Glue the dried, red popsicle

sticks onto the white paper to make

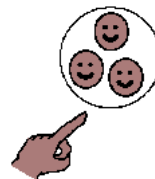

red and white stripes.

5

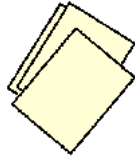

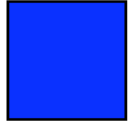

5.

Tear the cotton balls into

small pieces and glue them onto

the blue paper for stars.

6

6. Enjoy your new American Flag!
