Sunday is Mother's Day. Mother's Day

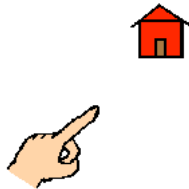

200_

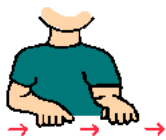

is a holiday we have every year to thank

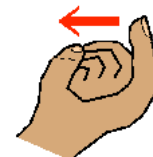

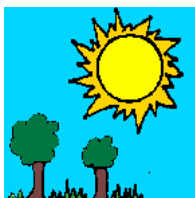

Mom for all she does for us.

There might be many things we

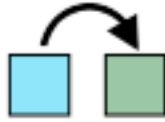

do with our family to celebrate Mother's

Day. We might have people come over

to our house. That is OK. We might

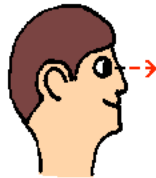

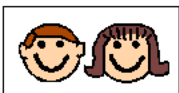

go visit other people. That is OK.

We might go out to eat. That

is OK. I will try to be nice to the people

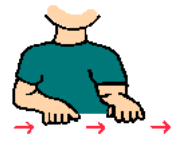

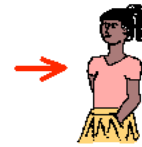

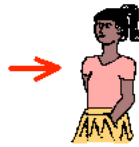

we see. I will try to have good

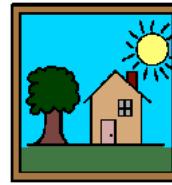

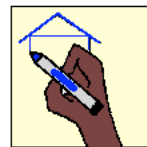

manners.

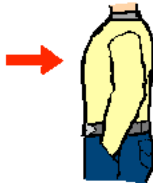

I will make mom a card to

thank her for all that she does

for me. I will draw a picture on

the front. Inside the card, I will write

3

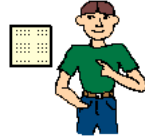

three things that I like best

about my mom. I will give it

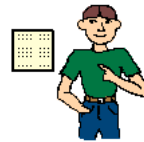

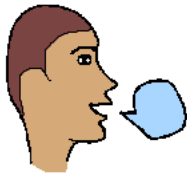

to my mom.

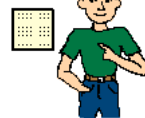

I will give my mom a hug.

I will give my mom a kiss. I

will say "Thank You" to my mom. That

will make my mom happy. I will

feel happy too.
