

Read & Tell Teen™

Read & Tell - Teen enables the 6th through 8th grade student who is reading below grade level to enjoy age-appropriate literature, understand the story, learn higher-level vocabulary, complete written language activities and demonstrate comprehension.

Literacy Support Pictures™ are added to chapter summaries, comprehension questions and vocabulary materials and are ready-to-print. Pre-made **PixWriter™** word banks enable students to write about the wonderful books.

"Read and Tell products have allowed my students to participate in activities in general education classes. The teachers have pre-made materials so they can get to the important aspect of teaching and that is interacting with the child with a disability as well as sharing materials with typical peers who might be struggling."
