

Earth

Day

Here

are

3

three

ways

you

can

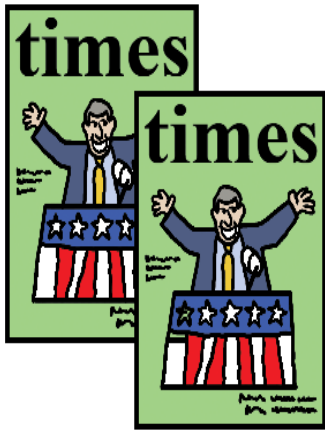

help

the

Earth:

Stop

the

junk

mail

by

writing

to the

companies

and

telling

them

to

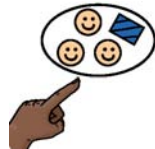

take

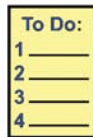

you

off

their

list.

You

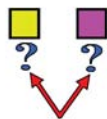

will

save

trees

which

were

cut

down

to

make

the

paper.

Washing

2

2

loads

of

laundry

SMTWTFES

per

week

in

cold

(or

warm)

water

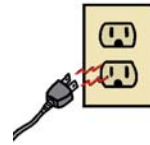

saves

water

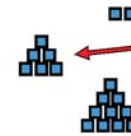

&

and

electricity.

The

more

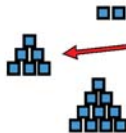

you

wash,

the

more

you

save.

Lots

of

energy

will

be

saved

if

you

recycle

aluminum

cans,

glass

bottles,

plastic,

cardboard

&

and

newspaper.
