

# September Journal Topics

Here are some ideas of things to write about in

September:

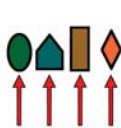

1) Tell about your first day of school?

2) If you could turn yourself into a bird, what

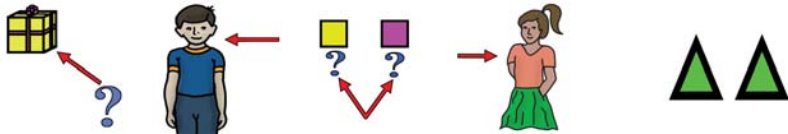

bird would you be? Describe what you might

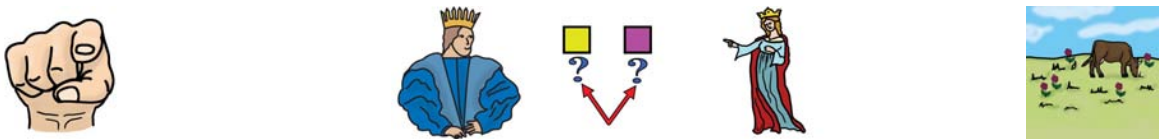

do every day.

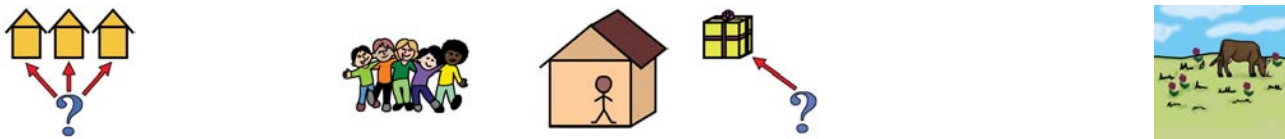

3) Who is your teacher this year? Tell about

what he or she is like.

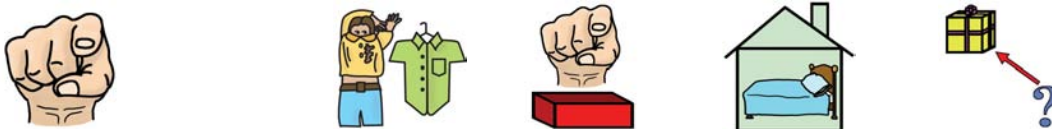

4) If you were the king or queen of a country

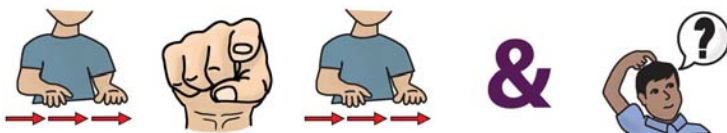

where only children lived, what would the country

be named? What would the rules be?

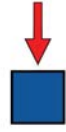

5) If you could change your bedroom, what would

do you do and why?

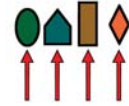

2

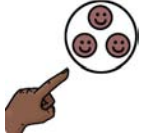

6) Name two new friends you have made this

200\_

school year. Tell about why you like each of

them.
